

GV RESOURCES LIST

2/16/24

The purpose of this list is to provide a living (constantly updated) list of service/product providers to folks living in the Garden Valley (GV), ID area with recommendations by residents who have experience with the providers. Most listings are in the GV area but some are in the Treasure Valley because we know of no one in the GV area providing that product/service. The List is sponsored by the Garden Valley Senior and Social Center and listed on it's website at <https://gvseniorcenter.org> .

Disclaimer:

This is a list of service/product providers who claim to perform/supply the task/product they advertise. **It is not a recommendation by the GV Senior Center for a provider.** References (Ref.) are reflections of experience by customers of the providers'/product's performance.
